### SNOWMOBILE CLUB

Summer 2023 Newsletter

President's News:

Hello!

Can you believe snowmobile season is just under 110 days away? If you haven't yet joined or renewed your Club membership, it's not too late. Please mail your membership form in as soon as possible. As soon as I receive the form and payment, I will mail you our NEW Calendar of Events magnet. With that being said, there's so much the Club is getting ready for the upcoming season. Our UTV/ATV ride will be held after our meeting on September 16th. Bonnie has been working on completing a couple of grant applications. JPS sponsored a hole at the "Barkin' for Birdies Golf Fundraiser." Our big green tractor is in and ready to go grooming! However, we need you to help get out and make sure our trails are in ship (or sled!) shape. Trail signing and brushing day is the first Saturday in November, with the following day the rain date. That day, Saturday, November 4th, is also our Gun Raffle Drawing. Speaking of which, we are still selling the gun raffle tickets. Have you purchased yours?? Do you need more to sell? Let Lisa or Todd know and they will get more to you.

I'll see you at our meeting on September 16th at Mo's at 10:00 a.m. and then out on the ATV/UTV ride!!

Stacie,

JPS Snowmobile Club President

**Important News!!!**

\*\*\*\* Our October Meeting has been changed to from the third Saturday of the month to **October 28th!**

We did this for two reasons—

- 1) Don and Stacie will be attending AWSC's Fall Workshop on October 21st. It is important that our club be represented and that we stay up to date on the latest news, laws, and connections with the State organization and other clubs. They'll also try to sell as many gun raffle tickets as they can while they are there!
- 2) We are coordinating our October meeting this year with **International Snowmobile Day**, a day designed to bring together clubs and groups and celebrate the snowmobile lifestyle. It is patterned after "Snoskoters Day" held in Sweden for over 45 years and encourages clubs to begin the season with a fun day to get members excited about the upcoming season. We are combining our October 28th meeting with our Fall Highway Clean-up Day and lunch afterwards. Bonnie applied for a grant that was available to help with the "celebration," which was specifically for October 28th. Fingers crossed JPS receives it! Thanks for your work on that grant, Bonnie!!!
